One of the leading newspapers of Williamsport Pa., had the following to say of the appearance in that city October 13, of "The Boys of Company B," Paul Glimore's new play, which is booked at the Grand opera house for November 13:

The best thing that Paul Gilmore ever did, and he has been the contral figure in many theatrical successes is his splendid characterization of "Tony Allen" in Rida Johnson Young's play, "The Boys of Company B," which was presented before a large and enthusiastic audience last night at the Lycoming opers house. vorlite here, but he has now established dimself more firmly than ever in this hearts of Williamsport play-goers.

Although Mr. Gilmore has been seen here each season in a different play, and is acknowledged as one of America's fast rising young stars, he has never been seen in a character before that suits him as nicely as Tony Alien in his present offiering. Mr. Gilmore, always good, was at his best in the comedy. His personality, added to other attributes, made the character "the best ever."

Miss Young has givn the theme of her latest offering a comedy story of life in the New York National Guard, and Mr. Gilmore as the young guardsman is just suited for the part and never once last evening lost an opportunity to score. BABY'S ITCH EASILY CURED

Infantile Eczema Quickly Relieved by External Use of Oil of Wintergreen Compound.

Infantile eczema which has baffled the skill of the best physicians for so many years at last seems to be curable—and curable with great.

Results of the last two years indi-cate conclusively that baby's itch, in-fantile eczema and other skin diseases of children can be very simply cured by the application of a com-pound composed of oil of wintergreen thymol and glycerine, as in D. D. D.

Prescription.
The Rev. Lewis Steeley, of Weath-criv. Pa., writes:
"Our baby boy's little face was so

dreadfully covered with eczema that blood and water ran from the sores nearly all the time. After using three and one-half bottles of D. D. D.

three and one-half bottles of D. D. D. Prescription we are so happy to tell you that he is entirely cured and the disease has never broken out again. If this letter is in any way a help to other sufferers, you may publish it."

If you have a child which is suffering with this terrible itch, we are sure you will not neglect one hour to give your baby the right kind of relief. We have seen too often how oulckly the remedy mentioned above lief. We have seen too often how quickly the remedy mentioned above takes the lich away at once and how all the cures seem to be permanent: we have seen this too often to hesitate at all in recommending the remedy for your children.
